THE DAILY SENTINEL ON EARLY TRAINS.

THE DAILY STATE SENTINEL is sent by all the early morning express and freight trains, and delivered to subscribers in adjacent towns about the same time it is distributed in this city. This enables readers as a distance. from the Capital of Indiana, to get the news of the day from six to twelve hours before they can receive it through papers published elsewhere. News dealers and carriers in any of the towns on railroads centering at Indianapolis, will be supplied with the SENTINEL on as good terms as any other paper. Clubs for the Daily will be supplied at Agents' rates. Orders are solicited.

SPEECHES OF Hendricks and Voorhees.

The speech of Hon. Thomas A. Hendricks, before the Democratic Convention on the Eighth of January, 1862, and the speech of Hon. Daniel W. Voorbees, in the House of Representatives, February 20, on the duty of the Feddred. All orders promptly filled.

LIST OF PRISONERS AT CAMP MORTON

The Weekly Indiana State Sentinel, of to-day, the 17th inst , will contain a complete list of the rebel prisoners now in this State, together with the names of those who have deceased. Copies of the paper can be obtained by application at the Counting Room. All orders sent in of Morris's conduct-on one occasion, shortly previous to that date will be promptly filled.

Military Items.

-A member of the Conduct of the War Com mittee, fresh from Manassas, reports all quiet on Buil Run, and fifty five embrasures at Centre ville, in which were thirty-five wooden guns mounted. An old African said the rebels used to say they were just as good to scare with as

underground railroad.

low. The columns in Tennessee are not likely to want for adequate transportation. We hope Gulf .- Evansville Journal, 15th. -Putnam county has now in the United States

-Senator Wright, of Indiana, is put on the tor Johnson, of Tennessee.

-Col. Jeff. C. Davis did a large share of the fighting in the late great battle in Arkansas, and at last accounts was in hot pursuit of Price. Davis has been Acting Brigadier for many months, and has done some of the hardest work of any officer in the army, yet the government withholds a commission as Brigadier in fact from him, while it is conferred on others who have scarcely "Teshed their maiden swords." This is not the fair thing. Davis ought to be promoted at once, and we hope the Indiana Congressmen will see that justice is done him .- N. A. Ledger.

-Horses and Mules Purchased in this City FOR THE GOVERNMENT .- The following is a statement of the purchases of horses and mules made in this city by Capt. Jno. H. Dickerson, A. Q. M., from May 22, 1861, to March 13, 1862, in clusive: Number horses, 12,875; value, \$1,299,-451 20; average each, \$100 92. Number mules, 13,428; value. \$1,487,344 50; average each \$110 76 .- Cin. Gaz. -INDIANA SICK IN OUR MILITARY HOSPITALS -

W. R. Holloway, Esq., Gov. Morton's private secretary, arrived in the city yesterday morning, and in company with Mr. Brooks, Chairman of the Committee on Passes of the Sanitary Commission, visited all the military hospitals yester day afternoon. Mr. H. found about fifty sick men belonging to Indiana regiments, about forty of whom were sufficiently recovered to be able meeting of Center Lodge No. 23 this (Monday) to leave for their homes on short furloughs. evening at 7 o'clock for work. These were furnished with passes and sufficient money to take them to their homes Mr. Holloway returns home this morning. The Indiana boys will never forget the thoughtfulness and care which Gov. Morton bestows on them. The throughout yesterday and the day before, airing men of no other regiments in the service have as the little angels, and the consequence is that Fall much cause for thankfulness as have the soldiers from Indiana .- Cin. Guz., 15th.

-It is reported that Capt. Bracken's cavalry company, now in Virginia, will disband, and that The Board of Trustees of Wabash Colthe men will return to Indianapolis to reorganize. lege have elected as President, and successor to

from Kentucky the "Preacher's Regiment," the away, New Jersey, and he has signified his aclate Col. McMullen's, is the hardest one now in centance of the appointment. Kentucky. They kill calves, rob tences of their rails, and, as their old commander used to preach about hell, play hell generally.

Journal of yesterday has a communication with reference to the Major Generalship due Indiana Baker knows how to keep hotel. at the hands of the President, from which we make the following extracts:

Shortly after the return of the three months' campaign, it was announced, to the evident sat brick dwellings built this summer. isfaction of all, that the Major Generalship due to Indiana was to be conferred on Brigadier General T. A. Morris. Accepting this as a fact, the subject dropped out of notice and was lost amid the Crane House, Crawfordsville, Ind., is one of the rushing current of events; though in the the best managed Hotels in the State. Mr. Taymeanwhile the promised appointment still hung lor keeps a free omnibus to and from the depot. fire. During the past season, however, the Cincinnati Guzette, in an article traught with much public spirit and generous feeling recalled atten with the House. tion to his name, and after recapitulating the leading particulars of his active, able and success ful career in Western Virginia, protested, in a about nine o'clock, in the cellar under the Boston calm but earnest manner, against the unjust neglect with which he had been requited. This ar-

Doneison is on the point of giving a new direction to Executive favor, and that the post of honor is to be conferred on Gen. Lew. Wallace-a the fire before any material damage occurred to proceeding which would tend effectually to retire the store room above.

Gen. Morris from all hope of military reward. There is something so ungenerous in the spectacle of public ingratitude that apology is unnecessary for saying a word at this juncture in bedence, leading him to shon all nets of self-laudation or advancement, will never permit him to make his case known through any effort of his, laurels justly due to Gen. Wallace, but merely to ris to consideration at this time.

The three months' campaign in Western Virzinia is now among the by gones, and great victories, elsewhere won, tend to reduce it to the present eve But when the history of this war comes to be written, the inpute importance of that campaign will again reap; ear; and then the pervading services of Gen Morris will obtain their appreciation. The campaign itself formed a complete chapter, perfect in its plan and its uni ties, and delighting the nation with the uniform. successes attending its execution. But the true master spirit thereof remains vet to be declared and vindicated. He has been the victim of the military principle which reflects upon the superior the credit due the subordinate.

There is now good reason to believe that the high influence of the Commander in Chief has been used to prevent the just reward originally in tended for Morris!

Much of the humbug of this war's history remains to be wiped away. When Garnett fled from the Laure! Hill camp it was because he received timely notice of the repulse of the Rich Mountain force-which was more than Morris did,-though the promptness with which the latter obviated whatever ill effects might have re eral Government in its relations to the civil war and the suited from his want of information. For, seeing objects for which it should be prosecuted, are for sale at | Garnett in flight, without awaiting orders from this office, published in a pamphlet of sixteen pages, in- his superior, Morris picked up his troops and accluding both speeches. Each one is among the ables ting on his own judgment hastened in pursuit. delivered on the present crisis, and should be placed in This he kept up through most intolerable weaththe hands of every voter in the State. Price \$1 per bun- er and over most desperate roads until at the end of thirty hours he overtook the fugitive rebeis at Corrick's Ford, routing them from their position, killing their General, and scattering the demoralized remnants panic stricken over the country. This ended the three months campaign.

> the limited in the same In view of these facts it is not strange that while the events were transpiring the President should have frequently expressed his approbation after the battle at Phillipi, remarking to a friend that "about all the scalps which have been won thus far have been won by Morris." But

"The present eye sees but the present object." and amid the incessant gallop of events from day to day his name has been allowed to fade from recollection. Whether Gen. Morris covets a position or not the writer is unable to say-but he makes free to assert that the country is a loser by his retirement; besides which, in the distribution of honors desert should have its reward. Gen. soldiers have died in the general hospital at Lou- Morris has served his country well in hours of commander is undoubted, and after the long pending promises in his favor, it would approach to insult to give him the go by now in favor of a

> -A Secesa Love Letter -The following very affectionate epistle was picked up in Fort Donelson after the late fight there. "Nute" has a good wife, and he should regard her advice:

> > For the Daily State Sentinel. Shade Trees.

EDITOR SENTINEL: I notice this morning a -A company of printers is being raised in this communication in the Sentinel signed "R." He complains very much about the annovance of -AFTER HIM ALREADY .- Fremont's command cows in destroying our shade trees. This is inis to be called the "Mountain Department." It deed a very great annoyance, and I too have is said his California friends are after him already suffered by them at least twenty-five dollars; for a contract to tunnel the Blue Ridge for an and I have gained this much by the operation, that if persons planting out shade trees will have -Vast numbers of horses, mules and wagons strong boxes made, seven feet high, they will not pass this point every day for the Union army be- be troubled by the cows. I have tried it, and know that it is true, and I have the evidence now they will gradually force the rebels towards the around my lot; and as we cannot get rid of the cows at present, let us not spite ourselves by getting rid of the shade trees. I remember the trees spoken of east of the market and court service thirty one commissioned officers and 1,100 house squares, and said at the time that the boxes were too low. A box is not worth one cent if it is so short as to permit the cows to reach the tree above it, as was the case with those mentioned conduct of the war committee, in place of Sena- above. I also see some one is making a move in the Journal relative to planting shade trees on Kentucky avenue, leading to the grave yard. This I indorse heartily, and will contribute to the enterprise. This should be done this season without fail, and if surrounded by good sevenfoot boxes I will warrant them cow proof. All will admit the necessity of this enterprise. Those who are tired of planting and give up in despair, can do so, but I would advise them to try sevenfoot boxes. I am not done.

This is St. Patrick's day.

The Marion County Circuit Court, Judge Finch presiding, convenes one week from to-day.

The sidewalks leading to the postoffice around the Circle and along Pennsylvania street absolutely need repairing.

The Marion Common Pleas Court, Judge Ray presiding, adjourned, after a laborious session, on Saturday last.

Assistant Secretary Fox, who is in Washington, reports the Merrimac badly injured in the two days' fight. She had a hole bored in her hulk by the Monitor, and was leaking very badly when she put back. The Cumberland's broadside in the first day's fight injured her so badly that she could not then attack the Minnesota or Roanoke, although they were both aground, He thinks that the Minnesota can now, that she is affoat, handle the Merrimac, she is so slow and unwieldy. He considers it utterly impossible for her to go to sea, as she would immediately foun

der in an ordinary gale. The Merrimac's snout was knocked away by a a ball from an eleven inch gun on the Minne

Capt. Buchanan was wounded by a shot from 128 pound shell a rifleman on board the Cumberland, the ball going through his thigh. Mr. Fox says the crew of the Minnesota, as together with a large amount of loaded shell, well as that of the Monitor, are eager to see the

Merrimac come out again, but it is not likely that they will be gratified. Com. Stevens, of the Stevens' Battery, has obtained permission from the Secretary of War havy yard that the sloop of war, John Adams, to make use of the fifteen inch gun at Fortress is to be raised and turned over to Capt. Ericsson, Monroe, to be placed upon his steam propeller to be iron plated. Naugatuck, to be used in the defense of New Yesterday's Washington Intelligencer contains
